PROFESSIONAL SUMMARY

Motivated Information Technology graduate with strong skills in Python, Java, SQL, C, C++ and Cloud Computing, seeking an entry-level Software Developer position. Passionate about software development and eager to contribute technical knowledge to real-world projects. Known for strong **leadership**, **team collaboration**, and **problem-solving** abilities. While not yet an expert, I am keen to learn and work in emerging areas such as Artificial Intelligence and Networking, with a strong commitment to continuous growth and innovation.

TECHNICAL SKILLS

Programming: Python, Java, C, C++

Frontend: HTML, CSS, JavaScript

Backend: Python, Java

Databases: MySQL, MongoDB, OracleDB

Tools & ML: Numpy, Pandas, PowerBI(Beginner level), Matplotlib

Technologies: Git, Github, Docker, SAP(Beginner level)

Other: Blockchain, Machine learning, Artificial Intelligence

PROJECTS

1.Smart Attendance Tracker (Team-Project) – Automated attendance system using face recognition with real-time location validation to ensure authentic attendance logging.

Tech: Python, Frontend Technologies, MongoDB

Libraries/Frameworks: OpenCV, Face Recognition, NumPy, Pandas, Flask

My Contribution:

- Developed face recognition model using Python and OpenCV

- Implemented live location tracking for attendance verification

- Designed system workflow and integrated project modules

2.AI-Powered Resume Filtering System (Proposed) – Conceptual design of an intelligent resume screening platform intended to automate resume parsing, analysis, and ranking using Natural Language Processing (NLP) and machine learning techniques.

Planned Tech:

HTML, CSS, JavaScript, Python, Flask, MongoDB / MySQL

Planned AI / NLP:

NLTK, spaCy, Scikit-learn, TensorFlow

EDUCATION

B.E. Information Technology – 69.10%, Mauli College Of Engineering Shegaon (2022–2026)

HSC – 71%, Shri A P Patil Vidyalaya Naigaon (2021–2022)

SSC – 82%, Shri A P Patil Vidyalaya Naigaon (2019–2020)

ACHIEVEMENTS

Secretary, ITSA (2024–25).

AICTE Certificate (AI-ML, Cloud Virtual Internship)

Date: 23/12/2025
